there are things that need to be said about and against this bill. There are things that need to be in the record. There were admissions that had to be elicited from those who support this bill and I believe that was done. The record has been made, and now you can get to something that maybe more of you would like to talk about. But, Senator Tyson, I still have a rabbit in the hat. I can still find a way to discuss this bill some more if I want to, and I just might do that. Madam President, I would ask that we check in and then I'd like to have a roll call vote.

PRESIDENT ROBAK: Thank you, Senator Chambers. Will senators please check in. We are in Final Reading. Will senators please check in.
